

Core Returns

Core Return Program for GM Collision Parts

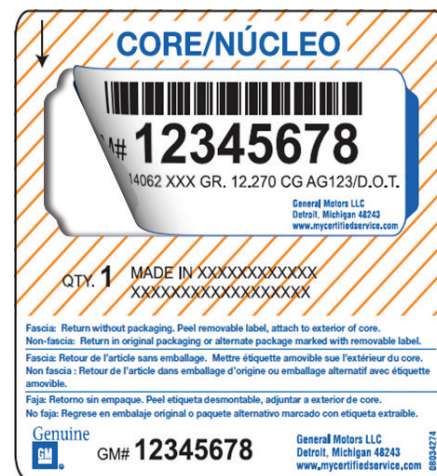

GM needs your help in recycling Aluminum Wheels, Fascias and Lighting Assemblies.

- ✓ **Protect the environment**—Recycle parts that would otherwise go to landfill
- ✓ **Protect the customer**—Limit refurbishing of components which may fall short of performance expectations

Core Return Process:

- ✓ **Fascias** — Return without packaging using peel-away label
- ✓ **Wheels/Lighting** — Return in new part's box, OR . . . Return in replacement box using peel-away portion of label

**Contact your GM Dealer for Genuine GM Parts at competitive prices.
Why trust your business—or reputation—to anything less?**
